Bright Reed Sir.

On the 29th of December last - took the liberty of
addressing you thro' the post. and forwarded 14 Provincial papers.
On the 31st Jan'y forwarded 8 papers - and on the 7th of this month 5 more.
I have also forwarded several letters from Bishop of Loder and Dean. and
from Wilkes Esq^r. I shall feel particularly obliged by your forwarding me
full particulars of the State of King's College, and Gambier Town. and a
full account of what may be expected - by Agriculturists - Clergymen - Laymen
Students - Mechanics and labourers - and I would earnestly request that you
will favor me with regular and frequent correspondence in order that
I may satisfactorily and efficiently conduct the Agency - Also a frequent
supply of this papers - forwarded by hand from New York. as our postage on
papers is so enormous - please also state what portion of the correspondence
I may make public as well as what portion I had better not -

I am in correspondence with the Right Honble Trustees, and have the thing
in most efficient operation from one end of the Kingdom to another, and
only want minute information of the land. climate - rents - produce - num-
ber of inhabitants - distances from large Towns, prospects - rate of living
and any other authentic particular - I could then keep the matter alive and
good success is certain - please also state the best - nearest and most econo-

mical course from Buffalo to Gambier - if also you could give me reference
to parties in New York, to whom I could consign settlers it would be highly beneficial
Have the kindness to give me very minute particulars of Mr Skyrme the Farmer
also whether you have seen the following, all of whom have sailed from hence -
Mr James Whitten - Mr Roworth - Mr Baker & family - Mr Parker
and family - Thomas Osborne Wife and 2 Brothers. - William Agge - Gussmith.
William Huides. and 2 labourers - Gardeners - Charles Loverton Student
Mr Cook and family - Mr Day and family - Mr Clarke and family -
Five young men named Jewlaps - Husbandmen - Wilbur Linson Miller
John Johnson Tailor. - Lones and family - Weaver - and several others
I am now in negotiation with a great number of families - information
is all I want - and a regular Channel of conveyance so that in New York
they may not meet with persons to dissuade them from proceeding -

Take this opportunity of stating that I have not seen Mr West since
his return, as also that I confine myself wholly and solely to the forward-
ing of respectable settlers, without giving my attention one moment
to any other matter or difference and have nothing to do with Mr West in any way -
I beg of you very respectfully not to fail immediately and frequently
to forward any information and papers calculated to throw light
on the subject - please also state whether I shall continue to forward
papers to myself

I am
Right Rev Sir.
Very respectfully
Your most Obedt Servt.
